

### Year 5 Class News

*"A few weeks ago, we went on a Geography field trip to the Halo. We learnt how to read a map and how to use a compass. Before we went on the walk, we learnt the meaning of the symbols and the different coloured lines. In the morning, we went on the all weather pitch to play a game so that our leader got to know all our names. We had the best time!"*

Busy with our preparations

*"This was one of the best field trips that we had ever been on. During the field trip, we learnt how to use a compass, and orientate a map in the morning of the walk. On the walk, we followed a story, and every step led us closer to our final destination, The Halo."*

We had our picnic lunch at the top of the hill.  
It was worth the climb, the view was beautiful!!
